Public Safety

Patrol Operations Division:

On Tuesday, January 18th, three new employees were sworn in as Police Officers for the Patrol Operations Division of the Bay City Department of Public Safety. Officer Jeffrey Ney graduated from Bad Axe High School and has a Criminal Justice degree from Ferris State University. Officer James LaPorte graduated from John Glenn High School and has a Criminal Justice degree from Delta College. Officer Brandon Pfaff graduated from Harbor Beach High School and has a Criminal Justice degree from Delta College. They began our Fire Academy which they will attend for eight weeks before entering the Field Training Program.

Jeffrey Ney

James LaPorte

Brandon Pfaff

Fire Division:

On Thursday, January 20th, the Bay City Department of Public Safety Fire Division launched its second Fire Academy. Once again, the Fire Academy Director is the Lead Instructor in teaching Firefighter I and II to the Department's new Public Safety Officers. After a highly successful inaugural academy in 2021, conducting our own training ensures that our employees are trained to the highest level possible. Upon graduation, students will be Certified Firefighters in the State of Michigan, ready for Fire Suppression activities.
