Electric Department

Bay City Electric Light & Power Customer Appreciation Event

On Monday, February 14th, Bay City Electric Light & Power Energy Smart team held a Customer Appreciation event in the lobby of City Hall. The event was a huge success! Staff shared energy efficiency information, solicited feedback for its clean energy program, and provided giveaway items to more than 425 residents.

Third Street Construction

Electric utility crews, along with contractors, will be reconductoring overheadlines on Third Street from Lincoln Street to Trumbull Street. The work is being performed to balance the load on the Trumbull Street Substation. The work that started this week is expected to continue through April.

Please be mindful of work zones when travelling in that area.

Public Safety

Director Michael Cecchini and Deputy Director Caleb Rowell attended the Michigan Association of Chiefs of Police Annual Winter Conference in Grand Rapids from February 9th thru February 11th. Some of the lecture topics this year included: Recruitment and Retention, Metabolic Disease and Officer Wellness, Wounded in Blue, and Due Process for Public Employees.

On Friday, February 11th, Patrol Officer Bob Querback retired from the Bay City Department of Public Safety after 25 years of service.
