Women Leading Local Government Interactive Panel Session for the University of Michigan Ford School of Public Policy

City Manager Muscott served as a panelist for the Women Leading Local Government Interactive Panel Session for the University of Michigan Ford School of Public Policy. The students were challenged with real life community scenarios from various communities. This Panel discussion is an extension of MML's 16/50 Project, driving the force of women Municipal Managers.

National Reading Month

On March 24th, Director Michael Cecchini participated in “March is Reading Month” at Immanuel Lutheran School. Deputy Director Rowell also participated in the event on March 14th. Both were guest readers for students in the 3rd thru 8th grades.

Bridge the Gap Event

On March 30th, Director Michael Cecchini attended the “Bridge the Gap” event at the Midland Law Enforcement Center. Representatives from local Law Enforcement Departments attended. The event highlighted the Bridge the Gap’s Scholarship Program.

Bridge the Gap is a nonprofit organization with a mission to build positive relationships between Law Enforcement and the community in the Great Lakes Bay Region. Through assistance from Bridge the Gap, local individuals have the opportunity to obtain Police Academy scholarships and secure employment.
