--	---

III. Homeowner Affidavit:
 I hereby certify the plumbing work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be in accordance with the current electrical code and shall not be concealed, covered up or put into operation until it has been inspected and approved by the plumbing inspector. I will cooperate with the plumbing inspector and assume the responsibility to arrange for necessary inspections.
 Section 23a of the State Construction Act of 1972, Act No. 230 of the public acts of 1972, being Section 125 of the Michigan Compiled laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subject to civil fines.
 I agree to abide by all requirements of the plumbing code including calling for inspection and being present during the inspection before any plumbing work is covered or used and upon completion.

IV. Applicant Signature:
 Any permit applicant proposing to install, replace or repair a sewer lead or water line which will attach to the City's system is required to contact the DPW office at (989) 894-8321, prior to commencing any work. Applicant shall not cut (open) a City street without first obtaining a permit and making arrangement with the DPW to have a City Inspector during any work that would be performed in the city right-of-way. Absolutely no work shall be performed in the city right-of-way without a city permit.
