

ORDINANCE NO. 2017-19

(Adopted 12/18/17; amended 7/1/19; 1/7/19; 5/7/18; 2/19/18)

AN ORDINANCE TO AMEND CHAPTER 30, OF BAY CITY CODE OF ORDINANCES THE CITY OF BAY CITY ORDAINS:

Section 1. The Code of Ordinances of the City of Bay City, Chapter 30, is amended by the addition of Article XV, Medical Marihuana, Facilities to read as follows:

Division I. General Provisions

Sec. 30-501. Purpose and Intent.

(a) The purpose of this Article is to implement the provisions of the Michigan Medical Marihuana Facilities Licensing Act, so as to protect the public health, safety, and welfare of the residents and patients of the City by setting forth the manner in which medical marihuana facilities can be operated in the City. Further, the purpose of this Article is to:

- (1) Provide for a means of cultivation, processing, and distribution of marihuana to patients who qualify to obtain, possess, and use marihuana for medical purposes under the Michigan Medical Marihuana Act, (MCL 333.26421 et seq.), the Medical Marihuana Facilities Licensing Act (MCL 333.27101 et seq.) and the Marihuana Tracking Act (MCL 333.27901 et seq.);
- (2) Protect public health and safety through reasonable limitations on marihuana commercial entity operations as they relate to noise, air and water quality, neighborhood and patient safety, security for the facility and its personnel, and other health and safety concerns;
- (3) Protect residential neighborhoods by limiting the location and the concentration of types of marihuana commercial entities to specific areas of the City;
- (4) Impose fees to defray and recover the cost to the City of the administrative and enforcement costs associated with medical marihuana facilities;
- (5) Coordinate with laws and regulations that may be enacted by the State addressing medical marihuana; and
- (6) To restrict the issuance of medical marihuana facility licenses only to individuals and entities that have demonstrated an intent and ability to comply with this Article without monitoring by City officials.

(b) This Article authorizes the establishment of medical marihuana facilities within the City of Bay City consistent with the provisions of the Michigan Medical Marihuana Facilities Act; and subject to the following:

(1) Medical marihuana cultivation and processing can have an impact on health, safety, and community resources, and this Article is intended to permit medical marihuana cultivation and processing where it will have a minimal impact;

(2) Use, distribution, cultivation, production, possession, and transportation of medical marihuana remains illegal under Federal law, and marihuana remains classified as a "controlled substance" by federal law;

(3) The regulations for medical marihuana commercial entities are not adequate at the state level to address the impacts on the City of the commercialization of medical marihuana, making it appropriate for local regulation of the impact of medical marihuana commercial entities;

(4) Nothing in this Article is intended to promote or condone the production, distribution, or possession of marihuana in violation of any applicable law.

(5) This Article is to be construed to protect the public over medical marihuana facility interests. Operation of a medical marihuana facility is a revocable privilege and not a right in the City. There is no property right for an individual or facility to engage or obtain a license to engage in medical marihuana as a commercial enterprise in the City; and

(6) Because medical marihuana is a heavily regulated industry in the City, all licensees are assumed to be fully aware of the law; the City shall not therefore be required to issue warnings before issuing citations for violations of this Article.

(c) As of the effective date of this ordinance, marihuana is classified as a Schedule 1 controlled substance under Federal law which makes it unlawful to manufacture, distribute, cultivate, produce, possess dispense or transport marihuana. Nothing in this ordinance is intended to grant immunity from any criminal prosecution under Federal law.

(d) Relationship to State Law.

(1) Except as otherwise provided by the MMFLA and this Article, a licensee and its employees and agents who are operating with the scope of a valid State-issued operating license are not subject to criminal or civil prosecution under any applicable City ordinances regulating marihuana.

(2) Except as otherwise provided by the MMFLA and this Article, a person who owns or leases real property upon which a marihuana facility is located and who has no knowledge that the licensee is violating or violated the MMFLA or

a provision of this Article, is not subject to criminal or civil prosecution under any applicable City ordinances regulating marihuana.

(3) Nothing in this ordinance is intended to grant immunity from criminal or civil prosecution, penalty or sanction for the cultivation, manufacture, possession, use, sale, distribution or transport of marihuana in any form, that is not in strict compliance with the Michigan Medical Marihuana Act, the Medical Marihuana Facilities Licensing Act, the Marihuana Tracking Act, and all applicable rules promulgated by the State of Michigan regarding medical marihuana. Strict compliance with any applicable State law or regulation shall be deemed a requirement for the issuance or renewal of any license issued under this Article, and noncompliance with any applicable State law or regulation shall be grounds for revocation or nonrenewal of any license issued under the terms of this Article.

(4) A registered qualifying patient or registered primary caregiver is not subject to criminal prosecution or sanctions for purchasing marihuana from a provisioning center if the quantity purchased is within the limits established under the Michigan medical marihuana act. A registered primary caregiver is not subject to criminal prosecution or sanctions for any transfer of 2.5 ounces or less of marihuana to a safety compliance facility for testing.

(5) In the event of any conflict, the terms of this Article are preempted and the controlling authority shall be the statutory regulations set forth by the MMFLA or the rules adopted by the Board to implement, administer or enforce the MMFLA.

(e) City liability and indemnification.

(1) By accepting a license issued pursuant to this Article, the licensee waives and releases the City, its officers, elected officials, and employees from any liability for injuries, damages or liabilities of any kind that result from any arrest or prosecution of medical marihuana facility owners, operators, employees, clients or customers for a violation of state or federal laws, rules or regulations.

(2) By accepting a license issued pursuant to this Article, all licensees, agree to indemnify, defend and hold harmless the City, its officers, elected officials, employees, and insurers, against all liability, claims or demands arising on account of bodily injury, sickness, disease, death, property loss or damage or any other loss of any kind, including, but not limited to, any claim of diminution of property value by a property owner whose property is located in proximity to a licensed operating facility, arising out of, claimed to have arisen out of, or in any manner connected with the operation of a medical marihuana facility or use of a product cultivated, processed, distributed or sold that is subject to the license, or any claim based on an alleged injury to business or property by reason of a claimed violation of the federal Racketeer Influenced and Corrupt

Organizations Act (RICO), 18 U.S.C. §1964(c) .

(3) By accepting a license issued pursuant to the Article, a licensee agrees to indemnify, defend and hold harmless the City, its officers, elected officials, employees, and insurers, against all liability, claims, penalties, or demands arising on account any alleged violation of the federal Controlled Substances Act, 21 U.S.C. §801 et seq. or Article 7 of the Michigan Public Health Code, MCL 333.7101 et seq.
