

Marijuana Ordinance Application
Facility/Applicant Name Amendment Request

I, _____, declare this is strictly a request to amend the marijuana facility or applicant name as submitted in the original Marijuana Ordinance Application. I swear there has been no change in ownership other than what may have occurred within the direct confines of the organizational structure. I understand any member change directly related to the facility's owning entity must be reported to the City and the appropriate paperwork, background checks and associated fees will need to be completed and submitted for each member change as applicable.
